Bible Text: Revelation 10:9-11

Lesson Introduction: Eating the scroll is simply telling us to read, meditate and share the word of God with others. Of what essence is the bible we keep as app in our phone and under pillow without reading it. The scroll (bible) you did not eat will be useless to you in the day of adversity

STUDY THE WORD OF GOD

Reading is different from studying the bible. You read to learn and achieve knowledge only, while studying involves the necessity of retaining the information for longer period of time. Both are necessary to get the full message of the passage we are reading. The truth of the Word may be bitter sometime, but that should not stop us from reading and digesting it because the end result is sweet. Revelation 10:9-10.

Tips for studying the Bible:

1. Begin your study with prayers. 1 Thess.5:17.
2. You don't have to start at the beginning.
3. Choose a topic relevant to you.
4. Get to know a character.
5. Write down what you learn.
6. Listen to the bible online.
7. Read or share with someone else.
